So we have done says Christ and Mother and in our footsteps ye must follow on.....

This Anthem was received From Father James Abo 19th 1834
With the folling communication Remember dear children this is from the two Anointed Ones that hold the Keys of the Kingdom of Heaven who set the examppel of unbounded charity & tender kindness when they were upon

Earth to the poor of this world And says Father see that ye never forget to imitate their example For in these acts of Charity & kindness, ye draw nigh unto them and ye shall in no wise lose your reward

Father James says that this is designed for the Ministry to make such use of as they, in their wisdom see fit For they know says Father that all Mothers true children must keep open hearts to the poor of this world And they that regard their teaching in this respect God will bless with temporal blessings more abundant: For he delights in a feeling and tender soul.

Father says with this he brings the Love of the Anointed ones to the Holy Anointed upon Earth together with his own::

Father says this Anthem is sung by the Angels in Heaven when they go to administer to the poor souls that are hungering for the things of God. And Mother said She would make it apply to her Children on earth And if the Ministry desired the song to be sent which they sing to these words in Heaven it should be given... C. L. L.

For o'er earth thy wings do hover Bearing judgments from on high
While thy justice shews thy judgments To thy mercy cries repent
Help thy Children heed thy warning by the prophets thou hes sent

Check the heedy and high minded To the sufferes give relief
Melt the heart that now is hardened Loose the tongue that now is bound
